

## GOD'S FAITHFUL SERVANTS

A Kansas Non-profit Corporation

### **VISION & MISSION**

God's Faithful Servants is a non-denominational Christian organization whose **vision** is to reveal the love of God by providing relief to the poor and distressed locally, nationally and throughout the world.

Our **mission** is to improve the quality of people's lives through individual and group hospitality. We initiate meaningful projects to aid the physically, mentally and emotionally challenged and support Christian programs and organizations in their efforts to offer tools, services and relief to those in need.

To maximize our impact on current efforts, we may seek to collaborate with other non-profit organizations which fall under the 501(c)(3) section of the internal revenue code and are operated exclusively for charitable purposes.

At times, per the discretion of the board of directors, we may provide internships or volunteer opportunities which will provide opportunities for involvement in said activities and programs in order to have a greater impact for change.
